Flux operates out of Montréal, located on the traditional territory of the Kanien'keha:ka, a place which has long served as a site of meeting and exchange amongst nations. The Kanien'keha:ka are the keepers of the Eastern Door of the Haudenosaunee Confederacy. In writing about political science and international relations we strive to incorporate diverse voices and bear in mind the forces, including (neo) colonialism, which have shaped the way we understand international relations. We encourage all readers to inform themselves on and actively resist, in the diverse forms that resistance can take, (neo) colonialism in Canada and abroad.
